

ONLINE MASTERS IN DATA SCIENCE

DSC 207 - PYTHON FOR DATA SCIENCE

WELCOME TO PYTHON LIBRARIES

LEO PORTER, PROFESSOR

UC San Diego

COMPUTER SCIENCE & ENGINEERING
HALICIOĞLU DATA SCIENCE INSTITUTE

By the end of this video, you will be able to:

By the end of this lecture, you should be able to:

- List some of the libraries in python that are helpful for data science
- Explain the value of using libraries

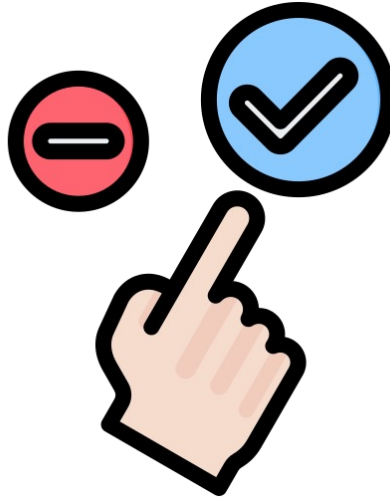

Common Python Libraries Used for Data Science

Why use libraries?

Ease of use

Correctness

Efficiency
